

**Department:** International Business

**Graduate School:** Social Sciences

**Program Name:** International Business Masters Degree

**Program Language:** English

**Program Objective:** International Business degree aims to equip students with a comprehensive understanding of business and management as well as relevant and current international issues, giving you the opportunity to take your career anywhere in the world. International Business degree focuses on developing, managing and leading international businesses by combining various topics through a multidisciplinary approach. The nature of the education originates from the combination of management and international business especially from the viewpoints of strategy, innovativeness, entrepreneurship, and social responsibility. The education focuses on the complexities in international for-profit companies and non-profit organizations, their relationships. Understanding of these complexities is essential for the social, economic, and long-term sustainability of businesses and organizations.

**Program Option 1:** The thesis option consists of 7 courses + seminar + thesis
