Update date: 08/11/26

Curriculum Vitae

1. Name Surname: Turgut Türsoy

2. Date of Birth: 15/11/1977

3. Title: Professor Dr.

4. Education:

Degree	Field	University	Year
Bachelor	Forest Engineering	Istanbul University	1998
Master	MBA	Cyprus International Uni.	2001
Doctorate	Banking	Marmara University	2005
Post Graduate			

5. Academic Titles

Title	Department	University	Year/Period
Assistant Professor	Banking and Finance	Near East Uni.	2011
Associate Professor	Banking and Finance	Near East Uni.	2017
Professor	Banking and Finance	Near East Uni.	2023

6. Graduate Theses Supervised

6.1 Master Theses

Hassan, N., "The role of management accounting information in maximising enterprising value through rationalisation of decisions", Near East University, 2020.

Younis, H. I., "Liquidity management and bank profitability: A case of Iraqi banks", Near East University, 2020.

Awl, C., "Determinants of profitability for the banking sector at Borsa Istanbul", Near East University, 2020.

Mohammed, R. B., "Is fair value accounting information relevant and reliable? Evidence from capital and debt market institutions in Jordan", Near East University, 2020.

Braim, S. J., “The role of management accounting in the decision-making process”, Near East University, 2020.

Anwar, S. H., “The role of financial statements in effective investment decision making in SMEs”, Near East University, 2020.

Alabedalrahman, A. F., “The impact of banking innovation on financial performance: a field study in Jordanian Commercial Bank”, Near East University, 2020

Musleh, M., “E-banking services quality and customer loyalty: the moderating effect of customer services satisfaction: Empirical”, Near East University, 2020.

Hashish, A. R. N. M., “The impact of financial business intelligence on organizational performance in Jordanian Banks”, Near East University, 2020.

Andrea, S. R., “The nexus between agricultural productivity, oil prices, economic growth, and financial development in the USA”, Near East University, 2018.

Mohammed, B. I. M., “Effects of 2008 financial crisis on bank performance: evidence from USA commercial banks insured by FDIC”, Near East University, 2018.

Eze, T. C., “Stock Market Performance and Macroeconomic Variables: Empirical Evidence from Nigeria Stock Exchange”, Near East University, 2018.

Alsakarneh, R., “The Impact of Capital Structure on Financial Performance of Commercial Banks in Jordan”, Near East University, 2018.

Sabır, B., “The Relationship between Liquidity Risk and Financial Performance of Private Commercial Banks in Turkey”, Near East University, 2018.

Asif, T., “Inflation, Foreign Direct Investment and Economic Growth in Pakistan”, Near East University, 2018

Dayan, T. A., “Arbitrage Pricing Theory application in Saudi Arabia Stock Market”, Near East University, 2017

Sulayman, M., “The impact on monetary policy on stock market in Malaysia”, Near East University, 2017

Kashtu, B., “The relationship between financial development, trade openness and economic growth: the case of Malaysia”, Near East University, 2017

Muhamad, P. M., “The relationship between the stock market, domestic credit, FDI and economic growth: evidence from China”, Near East University, 2016

Ahmed, H. A., “The effects of bank profitability on customers to choose between islamic banking and conventional banking”, Near East University, 2016

Biza, L. F., “The impact of financial sector development on economic growth in Zimbabwe (1978-2011)”, Near East University, 2016

Erçen, H. İ., “Yhe Interaction between Renewable Energy Market and Oil Prices”, Near East University, 2015.

Daitone, C., "Analyzing the relationship between Stock Market and Oil/Gold prices in South Africa", Near East University, 2015.

Zrar, Q., "The relationship between Monetary Policy Instrument and Turkish Stock Market", Near East University, 2015.

Hussain, L., " The Impact of Foreign Direct Investment on GDP: A Case Study of Turkey, 1990–2011", Near East University, 2015.

Awwad, T. F. A., "Impact of Macroeconomic Variables on the Banking Sector: Evidence from Turkey", Near East University, 2015

Abu Airub, A., "Macroeconomic Variables and the Stock Market: Evidence from Turkey", Near East University, 2014

Ünal, H., "Bank Specific Determinants of Net Interest Margin and Profitability at Turkish Republic of Northern Cyprus (TRNC) Banking Sector", Near East University, May 2011.

Rjoub, H., " The Effects of Macroeconomic Factors on Stock Returns: Istanbul Stocks Market", Near East University, August 2007.

6.2 Doctorate Theses

Hüseyin İlker Erçen, "Generating Hybrid Machine Learning Algorithm to Predict Exchange Rate Fluctuations in Volatile Macroeconomic and Political Environments" at Near East University/joint Economics, 2021.

Mohammad Othman Jamil Rashdan, "Investigating the N-shape EKC using capture fisheries as a biodiversity indicator: empirical evidence from selected 14 emerging countries", at Near East University/Banking and Finance, 2021.

Ala Asi Fathi, "Global Dynamic Association Between Financial Development and Energy Consumption in the Growth Channels of East And West Poles" at Near East University/Banking and Finance, 2020.

Hariem Abdullah, "Capital Structure, Corporate Governance and Firm Performance Under IFRS Implementation In Germany" at Near East University/Banking and Finance, 2020.

Simbarashe Hove, "Global Political Economy of Economic Growth Dynamics, Environmental Sustainability, Energy, Trade and Investment" Near East University/Banking and Finance, 2020.

Faisal, "Financial Deepening, Electricity Consumption, Urbanization, Trade And Economic Growth Nexus In Iceland: An Empirical Evidence From Time Series Analysis" Near East University, 2017.

7. Publications

7.1. Articles published in peer reviewed international journals (SCI, SSCI Arts and Humanisties)

Ali, M., Samour, A., Soomro, S. A., Khalid, W., & Tursoy, T. (2025). A step towards a sustainable environment in top-10 nuclear energy consumer countries: The role of financial globalization and nuclear energy. Nuclear Engineering and Technology, 57(1), 103142.
