Additional Notes

A total of 240 ECTS credits of courses are required to graduate. The Political Science students must complete the compulsory courses and the technical elective courses to provide a total of 240 ECTS credits. Otherwise, they will not be deemed to fulfil the conditions to graduate from the program.

ECTS credits of elective courses should be equal or greater than the credits specified in the curriculum.

When choosing a new elective course, students should make sure that it is not the same, similar or less comprehensive than any course they have taken or have taken in their curriculum, or any compulsory course they have not yet taken. Otherwise, the courses they have taken will not be considered as elective courses and will not provide any qualifications in the curriculum.
