

The Near East University offers various scholarship opportunities to aidless students in order to provide them with the opportunity to conduct a higher education, to encourage the successful students, and also to increase the academic quality of the Near East University.

### **Scholarship for Foreign Students**

In order to provide student inflow and introduce TRNC, this scholarship is assigned for the students from foreign countries. Students within this context are offered special discounts in their tuition fees and ease in payment.

### **Scholarships Assigned to Citizens of TRNC**

The main objective of this Scholarship Assignment is to provide the native students with higher education in their own country, to support the aidless students and to encourage and motivate successful students. Only citizens of TRNC can benefit from this opportunity.

By passing the exams organized by the university every year, candidates gain the right to be educated with a full or half scholarship within the determined quotas.
